Projects you're proud of and that provide useful information or examples of best practices for conservation of mammals in Europe:

Project 1

Location of the project/activities:

Latitude:

Longitude:

Description:

Aim of the project/activity:

Volunteers involved:                      Yes                      No

Results so far:

Publications about the project (results):

Links to information on the world wide web:

## Project 2

Location of the project/activities:

Latitude:

Longitude:

Description:

Aim:

Volunteers involved:

Yes

No

Results so far:

Publications about the project (results):

Links to information on the world wide web:

### Project 3

Location of the project/activities:

Latitude:

Longitude:

Description:

Aim:

Volunteers involved:      Yes      No

Results so far:

Publications about the project (results):
